

Non-return valve

DOSUIN

Dimensions

Description

The non-return valve is double-jacketed and insulated with mineral wool, and is supplied with Safe rubber seal in the inner dimension.

For pressure drop diagrams see DOSU.

Ød nom	ØD mm	l mm	m kg
80	112	130	0,70
100	132	130	0,90
125	157	130	1,10
